The KentRidge Senior Living

Fact Sheet

Overview

Opened in 2005, The KentRidge Senior Living in Kent, Ohio, is a caring and innovative assisted living and memory care community, conveniently located near the intersection of Routes 261 and 43. The moderately priced community offers first-class service, a wide range of quality amenities and engaging events and entertainment to promote social, physical and mental well-being.

Spacious studios and one-bedroom apartments are pet-friendly and include “smart design” age-friendly features such as walk-in showers with grab bars, wide doorways and well-lit kitchenettes with easy-pull cabinet handles. Throughout the community, state-of-the-art detection technology helps provide a safer, more secure and healthier environment for residents.

The KentRidge Senior Living encourages residents to enjoy an independent lifestyle. All-day restaurant dining is available from 7 am until 7 pm daily with open seating, serving freshly prepared home-style meals selected from a full menu and made-to-order by a highly-skilled culinary team. On-site amenities also include a full-service beauty salon, fitness center, movie theater and transportation for social outings and doctor appointments. A full schedule of well-planned programs includes opportunities to enjoy a wide array of social and special events, educational and spiritual programs, live entertainment and more.

Residents rent apartments and no advance buy-in is required

Apartments

The KentRidge is designed with assisted living and memory care neighborhoods, featuring 92 apartments, including spacious studios and one-bedroom units.

Local Management & Staff

In addition to a full-time, on-site management team that includes an executive director, resident services director, senior living director, operation coordinator and executive chef, The KentRidge is staffed round-the-clock by professionals who are committed to providing the highest quality personal service to ensure residents feel comfortable, secure and properly assisted.

Professional Management

The KentRidge Senior Living is owned by Arrow Senior Living in partnership with Kayne Anderson. Arrow Senior Living also manages both communities. As one of the nation's fastest growing senior living community sales and management companies for new developments and turnarounds, Arrow Senior Living is dedicated to developing exceptional senior communities through its passion for excellence, innovation and attention to caring in every aspect of senior living. With **independent living**, **assisted living**, and **memory care** communities across Missouri, Ohio, Illinois, Indiana and Florida, Arrow Senior Living strives to ensure our residents' satisfaction and enjoyment as they age. More information is available at www.arrowseniorliving.com.

Executive Director Bio

John McAninch

John McAninch has been a part of The KentRidge since the community opened in 2005 and has served as executive director since 2017. Dedicated to assisting families with their senior living needs, John previously served as marketing director for The KentRidge. Earlier in his career, he joined the community as executive chef and won many culinary awards for his accomplishments. A native of Akron, his hobbies include gardening, cooking with his children, camping and spending time with family and friends.
